FALL PASTIME  
AGENT DESCRIPTION FORM

Kaput B-242

NAME OF AGENT: CALABAR 21

Date: 1 May 1948

Case Officer: [ ]

I. INTELLIGENCE VALUE

A. Field covered now; value of such coverage

From CALABAR 21 we have been getting statistical information on production, trade, transport, reparations, etc., as compiled by the old Central Administration for Industry in the Soviet Zone. Since the change-over to the German Economic Commission (DWK) a somewhat reduced quantity of intelligence has been delivered to us by this agent. In his new position he still has access to a great deal of information of interest to us. The material he has submitted has, for the most part, been of a high order. He has excellent contacts with other officials of the DWK and at Karlshorst. By all he seems to be trusted and liked.

B. Fall Pastime field and value

The best field for his efforts will continue to be in the political-economic realm. His abilities will most certainly be employed in a leading position if he continues to be trusted by the Soviets. He has a sound background in industrial engineering and business administration.

II. OPERATIONAL CONSIDERATIONS

A. Present cover

1. Employment - At present he heads the DWK's Machine and electrical Industry Branch of the Department of Industry.

3. Social - He has a goodly number of friends in Berlin, it seems, and among these he visits a great deal.
